

### **Food Assistance During GPS Closure**

We are happy to announce that we will be providing food service for students during the closure of the Grafton Public Schools. Starting on Tuesday, March 17, we will begin a to-go lunch and breakfast program. Details on the program can be found below.

Food will be made available at Millbury Street Elementary School, 105 Millbury St, Grafton, MA for Grafton students who receive free or reduced lunch or have economic hardship during the closure.

Cars will be directed to the back of the school and bags will be brought to your car. You do not need to exit your car. Enter to the right of the school and go around back and exit to the right. If unable to make it to the Millbury Street Elementary School to pick up food for your children, please email Dan Gale at [galed@grafton.k12.ma.us](mailto:galed@grafton.k12.ma.us) or leave a message for Dan at 508-839-5421 x1020. Residents can call the Grafton Food Bank as well at 508-277-4535 if they are in need of food. Please leave your name, number, and what you need. You will be contacted and provided with what you need!
