NEVER leave a question blank, including open response!

When answering an open response, do NOT just start writing! Remember:
1. Read question 3 times.
2. Underline Bio Buzz words.
3. Make an OUTLINE 1st.

If you are drawing a blank, skip it for now.

You might find a CLUE within the test!

UNDERLINE any Bio Buzz words in the question.

REMEMBER You can do this!

When you get your test, write down your MNEMONIC devices and anything else you think you might forget!

Example: PMAT
